

THE CARNIVAL

Welcome to the Carnival, an experience you will never forget! It has been your life long dream to work alongside the mysterious fortune tellers and jaw-dropping illusionists. You submit your application and two weeks later are amazed to hear you have been invited for an interview.

Although everything may look normal, the Muggins Carnival is far from ordinary. Before you start on a permanent basis the Ringmaster needs to see how you perform in his initiation test; a handcrafted selection of puzzles and mysteries.

Race head-to-head with your friends and family to see who will be crowned carnival King or Queen. Come and join the fun!
